Probate – Inheritance Tax Assessment

For many Executors and Trustees the responsibility of dealing with a deceased's Estate is a once-in-a-lifetime experience. You have to make a number of important decisions in a very short space of time and all when the loss is most difficult to come to terms with.

The position of Executor is an important one in law and has defined personal liability and responsibility. To exhibit due diligence to beneficiaries and more importantly HM Revenue & Customs, an Executor or advisor will instruct a firm Regulated by RICS.

Even if the estate will be taxed at 0%, a valuation remains an essential tool for an Executor. The inventory will still be used for identification of bequests, trust items, family division and proof of value.

Our valuations are prepared to the International Valuation Standards requirement of the 'Red Book'.

The report will cover sections of:

- Jewellery
- Vehicles
- Antiques, Fine Art & Collections
- General Furniture & Effects

Removals – Household & Commercial

- Free Quotations
- Full Packing Service
- Suppliers of Packing Materials
- Shipping & Storage Arranged
- Antiques & Fine Art Specialists
- Specialist Piano Movers
- Office Movers
