## CONDITIONS OF SALE

1. These Conditions together with any Notices to Purchasers appearing in the catalogue are the only terms and conditions subject to which Goldings ("the Auctioneers") as agents for the Vendor will sell goods to a purchaser ("the Bidder") and all other conditions, whether express, or implied at common law or by statute as are capable of lawful exclusion are hereby excluded.
2. The highest bidder shall be the buyer. The Auctioneers reserve the right of regulating the biddings; of rejecting any bid; and of bidding for, withdrawing, consolidating, dividing or altering the order of lots.
3. The purchase money for each lot with the usual commission of 10% plus VAT at the current rate shall be paid at the fall of the hammer (if required). Each lot at the fall of the hammer shall be at the sole risk and expense of the buyer, and shall be paid for and removed immediately after the conclusion of the sale, *but no lot shall become the property of the buyer, or be removable until paid for*, and if taken away in contravention of these conditions without an order for removal signed by the Auctioneers, they shall have power to seize the same by their servants or agents, or otherwise, or the Auctioneers may recover either the lot sold or the price thereof (at their option) by action at law.
4. No contra account of any description whatever will be allowed to the buyer as a set off, and payment for each Lot shall be made to the Auctioneers or their clerk only, and a buyer paying by cheque must give satisfactory references.
5. For all purposes of this sale the Clerk of the Auctioneers shall be deemed to be the agent of both seller and buyer.
6. A bidder shall not be allowed to retract his bidding after the fall of the hammer and he shall give up his full name and address if required. The Auctioneers will not recognise the transfer of any lot from one buyer to another, nor make any alteration in the sale book in respect thereof.
7. The Auctioneers are acting only as agents, and give no personal warranty as to the condition, quality or authenticity of any chattels offered for Auction. Any catalogue description is given merely as guide to purchasers, any description can be changed from the rostrum before the lot is sold. If a purchaser buys without previous inspection he will do so at his own risk.
8. Notwithstanding any other terms in these Conditions, if within 7 days of the Sale a purchaser gives notice in writing that a lot is a deliberate forgery, with supporting factual evidence, the Auctioneers may rescind the transaction. The burden of factual proof lies with purchaser, mere opinions will not satisfy. This benefit is not assignable.
9. If any buyer neglect or refuse to comply with the above conditions or any of them, his deposit money (if any) shall be forfeited, and the lot uncleared may, at the option of the Auctioneers, be resold without notice by public auction or private treaty, and any loss occasioned by such re-sale together with all expenses attendant thereon, or arising under these conditions shall be paid for by the defaulter and be recoverable as and for liquidated damages. This condition is however without prejudice to the right of the Auctioneers to enforce the contract made at this sale if they think fit.
10. Any Notices for Purchasers or Catalogue Glossaries will be construed as Conditions of Sale.
11. The Auctioneers shall be the sole Arbitrators in all matters of dispute relating to those conditions both as between the seller and the buyer and between the several bidders and buyers and their determination on all matters shall be final and binding on all parties concerned.
